Let's Have Some Fun!! We wanted to have a strictly fun event that we can just get riders together for a fun day on the water....do some fun stuff and celebrate the sport of wakeboarding while not trying to take ourselves too serious

* Costumes Preferred and will help your scores with the judges.

* No Masks Event While Riding: Unlike everything else these days... please no masks while riding for your safety on the water

* **MASTERS:** You guys will have a special "choose your buddy's poison" board selection drawing after the riders meeting...so lets see who REALLY has skills... and can ride anything.

WWA MEMBERSHIP REQUIRED! This event is sanctioned by the WWA. To ride in the Gravel Tour you must be a WWA member & provide proof.. Go to www.thewwa.com to join!
